

Respiratory Therapy

# WiZARD 210 & 220

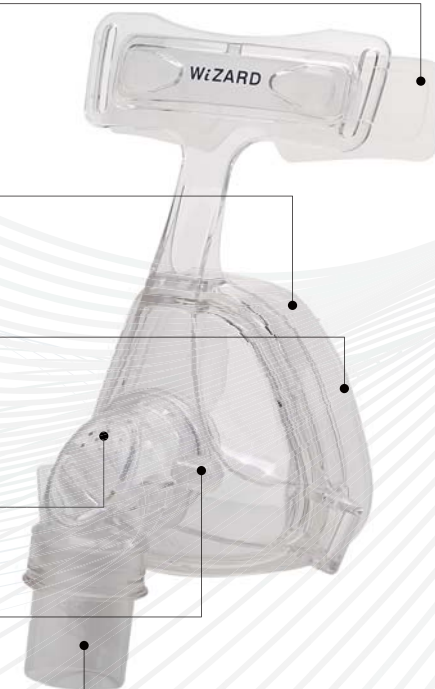

Nasal and Full Face Mask

The latest masks from Apex, WiZARD 210 & 220, are designed with principles of being “just sealed”, “quiet” and “simple to use”. Their excellent features ensure to offer a premium sleep experience. Besides, the nasal mask has 3 sizes (S, M, L) and the full face mask has 6 sizes (S, SW, M, MW, L, LW) to fit a wide range of patients.

WiZARD 220 Full Face Mask

WiZARD 210 Nasal Mask

- **Comfortable forehead pad** provides better pressure distribution and 2 options for adjustment.
- **Easy-to-assemble cushion** 3 indicatory protrusions allow for easy attachment to the frame.
- **Superior Silicon Seal** The soft silicon cushion with frosted texture fits a wide range of facial contours and optimizes the mask seal.
- **Diffused vent** provides quiet operation.
- **O2 port with safety cap** allows for O2 bleed-in or pressure measurement.
- **Tubing quick release** allows for convenient connection and disconnection of tubing.

Model no. and size embossed on the frame and cushion for easy identification.

Easy-to-use headgear buckle (One-hand operated).

Biocompatible Breath-O-Prene™ headgear.

Soft hose with better flexibility.
