WiZARD 230

Nasal pillows masks offer minimal facial contact and a clear field of vision comparing to the traditional CPAP masks. WiZARD 230 provides excellent seal and comfort with its self adjusting nasal pillows and its stable headgear. The ball and socket tube connector allows free movement during sleep. Minimal face contact, smooth pillow surfaces and breathable headgear material reduce nightly perspiration and help to restore restful sleep.

WiZARD 230

Nasal Pillows Mask

Magic Touch - Magic Comfort

Magic Touch - Magic Comfort

WiZARD 230 nasal pillows mask combines several innovative designs to bring a feeling of freedom and maximum comfort. The ball and socket tube connector allows free movement during sleep. Its thin and breathable headgear uses a special technique to provide a very soft touch and stabilization in an undisturbing way even in lateral sleeping positions. With these features, WiZARD 230 performs the magic to optimize sleep quality!

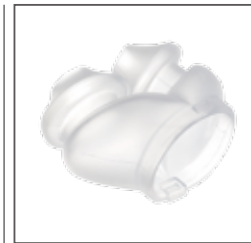

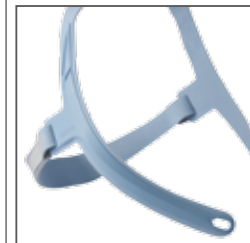

Breath-O-Prene® Headgear

- Breathable and soft headgear with angle reinforcements for extra stability during movements

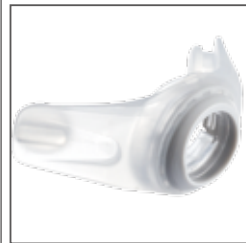

Optional Tube Retainer Clip

- Unique removable tube retainer buckle for optional tube fixation

Self Adjusting Nasal Pillows

- Nasal pillows on a soft and flexible base turn to the nostrils to fit comfortably for most users
- A groove in the middle of cushion to avoid touching the nose tip and upper lip
- Detachable for easy cleaning
- Hooks for intuitive assembling

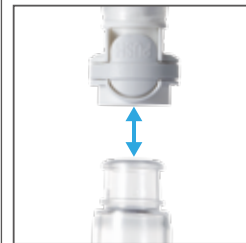

Lightweight Frame

- Lightweight winged frame to follow face contour for comfortable fit

Ball and Socket Elbow with Short Tube

- Allows tube positioning in all directions and accommodates free movement during sleep
- Small vents for quiet operation at all pressure settings

Quick-Release Swivel

- Easy to handle connection and disconnection of the tube

User Friendly Packages

- Include storage bag and cleaning brush

- Mr. WiZARD** for male sizes packages (S; M; L)

- Ms. WiZARD** for female sizes packages (XS; S; M)
