

D100 Full Face CPAP Mask

Simple, Adjustable Comfort

The D100 Full Face CPAP Mask offers comfort, durability and simplicity for effective CPAP therapy while remaining cost-effective for both patients and providers alike. Available in three sizes, the D100 Full Face CPAP Mask is extremely easy to fit, clean and maintain. It can be easily adjusted using the headgear straps to achieve an effective seal, leading to improved patient compliance. The D100 Mask is also available as a nasal mask.

D100 Full Face CPAP Mask

Features

- Four-point adjustable headgear for a secure, customized fit
- Lightweight, molded silicone cushion allows for comfortable extended use
- Three sizes of forehead pad included with every mask for maximum comfort
- 360° swivel for optimal tube positioning and easier mobility
