WiZARD 210 & 220

Providing a comfortable fit is crucial for patient compliance, but it doesn't need to be complicated. The simple and effective design of WiZARD 210 & 220 allows the user to enjoy a relaxed night's sleep and encourages compliance to prescribed therapy. Its lightweight, soft cushion and ergonomic forehead pad allows for any pressure to be distributed evenly, improving the quality of therapy and providing maximum stability and comfort.

**WiZARD 210 & 220**

Nasal Mask & Full Face Mask  
**Better Mask, Better Experience**

# Better Mask, Better Experience

The simple but effective design of WiZARD 210 & 220 brings the user an easy good night's sleep. Its high quality silicon cushion and forehead pad provide a soft and smooth feel. To fit a wide range of facial contours, WiZARD 210 is available in four comfortable sizes: XS, S, M and L; and WiZARD 220 has six sizes: S, SW, M, MW, L, and LW (W type for wider nasal bridge). WiZARD 210 & 220 featuring lightweight and contoured design ensures great comfort and excellent seal, offering users better experience for sleep therapy.

Nasal Mask

■ WiZARD 220  
Full Face Mask

3 palpable fixation points for easy detachment/attachment of mask cushion.

Model number and size imprinted on frame and cushion. Easy identification and replacement.

Forehead pad with pressure distribution technology for excellent comfort.

360° dual swivel elbow for freedom of movement during sleep.

Tubing quick release for convenient connection and disconnection of the air tubing.

Pressure or oxygen port with attached safety cap for pressure measurements or oxygen supplementation needs.

Diffused vents for quiet air flow and peaceful sleep.

Headgear clip for single handed operation for simple mask fitting and lifting.

Breath-O-Prene® headgear for comfortable skin climate.

Soft connection tubing with better flexibility for freedom of movement during sleep.
