

AirFit™ F20

## Easily fits them and everyone in between

Finding the right mask fit for a broad range of patients can be challenging. That's why we created the AirFit™ 20 series – masks that are specially-designed to fit all patients, regardless of facial profile. The AirFit F20 is designed to perform across a wide range of therapy pressures, and fit a remarkable 97% of patients in a recent international fitting study.<sup>1-3</sup>

## AirFit F20 highlights

### Plush headgear

is specifically designed for extra softness and stability.

### InfinitySeal™ cushion

provides an effective seal across a wide range of therapy pressures.

### Magnetic clips

guide the headgear to the frame quickly and easily.

### Soft and flexible frame

sits underneath the eyes and adapts to different facial types, while its integrated padding provides added softness.

### Diffused venting

evenly disperses air to dampen air flow and noise out of the mask.

### Quick-release elbow

makes it simple to disconnect from the tubing without removing the mask.

## AirFit F20 for Her

Designed specifically for women.

ResMed is the #1 mask brand preferred by patients.<sup>4</sup>
