

Fitting Template

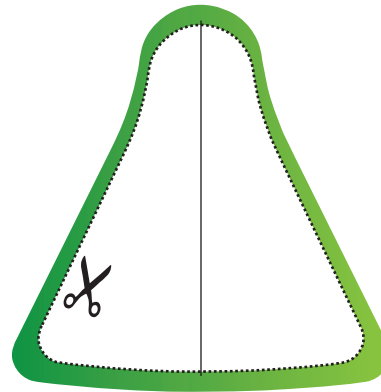

iVolve Nasal Mask

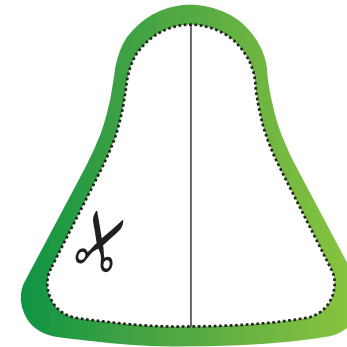

1. Place template around the nose.
2. Obtain a close fit around the nose allowing some clearance around the nostrils and nasal bridge.

L W: 48 mm H: 50 mm

M W: 43 mm H: 47 mm

S W: 38 mm H: 40 mm

1. Please ensure the print is accurate to the scale.
2. Cut out the template
3. Cut out the nasal holes (fold each hole in half makes it easier to cut)
