

Sleepnet® **Ascend™ Nasal** replaceable AIR°gel® cushion masks featuring Advanced Cushion Technology

Rise to a higher level of comfort and convenience with The Ascend nasal mask: our first-ever nasal mask featuring a replaceable cushion. Our patented AIR°gel replaceable cushion is easily detached and reattached for easy cleaning and cushion replacement, saving both time and money.

Ascend to a Higher Level of Comfort and Convenience

What makes our Ascend Nasal Mask different?

- Our easy-to-use replaceable cushion allows you to extend the life of your mask.
- *Flexible Spacebar* is designed to provide superior stability without contacting the skin.
- *Active Headgear Connector* moves when the patient moves to help maintain an effective seal.
- Available in three sizes with simple and breathable quick-release EZFit headgear.

Advanced Cushion Technology (A.C.T.)

Our patented AIR°gel with an ergonomic design and luxurious feel reduces pressure while maintaining an effective seal.

Easy-to-Replace Cushion

Disassembly: Just squeeze the sides of the cushion in to release and snap in to replace.

Assembly: Place the top alignment pin in the notch and push the bottom ones in until the pins fit securely.
