

PAD A CHEEK®

Barrel Cozy AirFit P10

- Place the Barrel Cozy over the nasal pillows.
- Gently pull the pillows through the holes, if the hole seems too small make a small slit in the edge of the hole. (The fabric will not fray)
- Wrap it around the barrel and attach the Velcro to secure it.
- **Always make certain the vent of the mask is not covered by the Barrel Cozy.**

This PAD A CHEEK Barrel Cozy is made of 100% polyester micro fiber and micro fleece.
It is hand or machine washable and dryable (warm water and low heat)

Designed and Sewn in the USA
